

3rd Norwegian Proteomics Conference

Ås, September 14-15 2007

We are pleased to invite researchers, students, technicians and others working in the field of proteomics to this year's national conference.

Accommodation

All participants must make their own hotel reservations. We recommend Thon Hotel Ski, which is the one closest to Ås. Use the link <http://www.thonhotels.no/booking/firma.asp?firma=TH109280> to get the UMB discount prices when you book your room.

Lunch (Friday and Saturday) and dinner (Friday) is included in the conference fee.

For further information, please visit <http://www.umb.no/msprot>, or send an e-mail to NPC2007@umb.no.

Program

The conference begins at 11:00 on Friday 14th, and closes at 14:00 on Saturday 15th. As usual, the scientific program will include lectures by invited speakers, oral short presentations, posters, and vendor exhibitions.

The final conference program will be e-mailed to all registered participants as soon as possible after the registration deadline (11th of August)
